During the 2026 Women's History Month, a major national advocacy campaign, the Driving the Vote for Equality Tour, comes to Atlanta, GA on Monday, March 16 with an eye-catching historical visual — a restored 1914 Saxon roadster, called the Golden Flyer II, the same make and model driven by two suffragists on their groundbreaking 10,700 mile cross-country campaign for women's voting rights.

In 1916, suffrage was stalled, just like the Equal Rights Amendment is stalled today. Following in the suffragists' footsteps, the [ERA NOW](#) tour is traveling through 25 states to raise awareness and activate supporters as it mobilizes voters and collects petition signatures for the National ERA petition drive, [Sign4ERA.org](#).

Thirty-eight states have ratified the Equal Rights Amendment, fulfilling every constitutional requirement. ERA NOW, an organization led by former U.S. Representative Carolyn Maloney, and other supporters are pushing Congress for a Joint Resolution to recognize the ERA as the 28th Amendment, thus eliminating any time limit.

The Driving the Vote for Equality Tour aims to collect one million signatures by Election Day 2026 and build the Congressional majority needed to finish the work the suffragists began more than a century ago.
