

The Cities and States in 2026

Taking the Same 10,700 Mile Journey for the ERA

Across America for Equality

In March 2026, during Women’s History Month, the Golden Flyer II, a restored 1914 Saxon, will retrace Alice and Nell’s route traveling through many of the cities and states the suffragists visited.

The car and crew will depart from New York City on March 1 and travel to various states throughout March, Women’s History Month, including New Jersey, Delaware, Maryland, Washington DC, Virginia, North Carolina, Georgia, Alabama, Louisiana, Texas, New Mexico, and Arizona.
